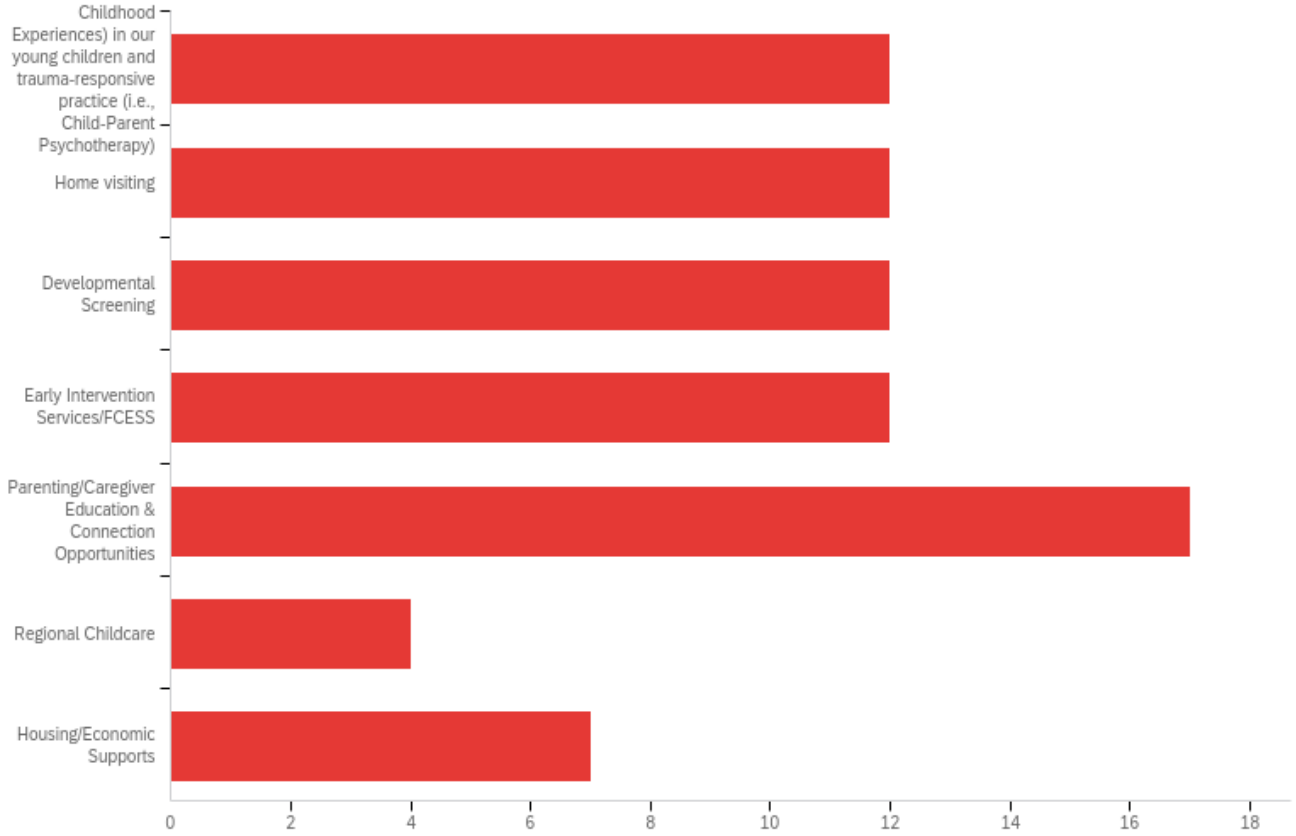
Q1 - A Closer Look: which early childhood resources/services would you like to learn more about as a collaborative?



Q4 - What additional areas/subjects/questions would you like the Collaborative to spend time on?

What additional areas/subjects/questions would you like the Collaborative to spend time on?
Provider connections/Continuing to encourage the warm handoff and building relationships with collaborative members; Referral services for families
Parent communication; making the information common knowledge where to go regarding the listed topics; How can we get information out to families as soon as possible so they can take advantage of it; strategies to reach those children not involved or not with siblings in the school system; Community outreach/communication;
Perhaps creating a resource packet to go in the welcome baby bag and that could be handed out by schools, the library and police.
Use of social media to market existing services.
Resources for programming for parents to connect for support and to make connections
