

Child, Adolescent & Family Services

Clinic Services

- Individual, group and family therapy using state-of-the-art approaches
- Psychiatric evaluation and medication management for current clients as appropriate
- Specialized evaluation and treatment for substance use disorder specific to youth and families
- Crisis stabilization in clinic and community
- Evaluation and treatment for Attention Deficit Disorder (ADD)

Outreach Services

- Mental health services in the schools
- Project RENEW, empowering youth to create future opportunities
- Support and case management in the community
- Children's intensive community treatment program, designed to reduce hospitalizations and prevent out-of-home placement

Child Impact Seminars

A 4-hour program to help parents understand the impact separation and parental conflict can have on children

Our Mission

Empowering people to lead full and satisfying lives through effective treatment and support.

About GNMH

Established in 1920, Greater Nashua Mental Health provides a wide array of affordable, results-based mental health and substance use disorder treatment services to individuals and families, so that each client can live life to the fullest. Services are provided in the office, the community and in the schools, and are available for people of all ages. No one is ever turned away due to inability to pay. We accept most insurances and will help you connect to insurance or other benefits you may be eligible for. We offer a sliding fee scale based on family size and income, if you qualify. GNMH primarily serves southern Hillsborough County but offers substance use disorder and Deaf services throughout the State of New Hampshire.
